CHICO HIGH SCHOOL

The annual staff
of Chico High School
proudly presents the
1968 Dragon. We hope we
have covered the activities of the
1967-68 school year through the pages
of this book.

Co-Editors:

Shirley W. Hatley

Sue Gann

Dedication

The Dragon Staff of Chico High School proudly dedicates the 1968 Dragon to our custodians, MR. OSCAR WATSON and MR. GLINN MORROW, who have worked faithfully through the years to keep our buildings and campus beautiful and clean in order that we may be proud of them.

Glinn has been our custodian for approximately twelve years. He and his wife, Betty, have three children, Ronnie, Joe, and Sherry, who are students of the Chico Schools.

Oscar has been custodian for ten years and his wife, Gladys, has worked in the cafeteria for nine years. They have six children, all of whom are graduates of Chico High School. They also have fourteen grandchildren, and one great-grandchild.

We, the faculty and student body of Chico High School, are happy to show our appreciation for your faithfulness in fulfilling your never-ending duties from day to day on the campus of the Chico Schools by the dedication of this the 1968 Dragon.

Robert Sivley

R. L. Huffman

Mr. Robert Sivley is our High School Principal, Coach, and Social Science teacher. He received his B.S. degree from McMurry College in Abilene. Before coming to Chico he taught in Bridgeport High School.

Mr. R.L. Huffman came to Chico as Superintendent in 1962. He received his B.S. degree from East Texas State University and his M.A. degree from East Texas State University in Commerce.

Mr. Sivley and Mr. Huffman discuss and propose plans for making our school a better one from day to day.

Administration

Board of Education

The Board of Education is composed of a group of men who give unselfishly of their time for the advancement of education and welfare of the students in the Chico Public Schools.

The Board along with the Superintendent, Mr. R.L. Huffman, formulate the policies which regulate the Chico School District.

We, the student body, are grateful for having a School Board who provides us with air-conditioned buildings and all the equipment necessary for good learning situations.

This picture was taken before the usual routine of the meeting started. Left to right around the table: Mr. Harold Lasiter, Secretary; Mr. Edward Culverhouse; Mr. Wendell Wiley, Vice-President; Mr. Elbert Bailey, President; Mr. R.L. Huffman, Superintendent; Mr. Eugene Grooms and Mr. Hugh Collier. Mr. F.W. Whetsell is not shown.

I know you will like the ice cream at ROBINSON'S DRUG--I do.

There are some things I like, but not this picture taking.

I am serious about your trading with the advertisers in this annual.

Come on gang--let's go get some candy at JOHNSON'S GROCERY!

I will see you when you go to the CORNER DRUG in Bridgeport.

I'm a cowboy who buys feed for my cows at CORDOVA GRAIN.

It's sure fun to visit at SELLER'S SUPERETTE.

My hair-do was done at ROSALIE'S BEAUTYSHOP in Bridgeport.

It Pays to Advertise

For your dental needs visit Dr. L. V. SELZ.

I could cry when you don't shop in Chico.

Aw, come on, make me happy by trading at BASS GROCERY.

I am sure that Phyllis Diller has nothing on me.

I'm thrilled because you do trade in Chico.

I mean business--trade at SPOT CASH.

Sure, I'll be glad to buy your merchandise.

I might not can sit up, but I will stand up for our local advertisers.

Sure, I do my banking at the FIRST STATE BANK OF CHICO.

When my hair grows out, I'll see you at OMEGA'S FASHIONETTE.

I'll be "pouting" for a long time if you don't patronize our local merchants.

I have my suits cleaned at DELUXE CLEANERS--hope you do too!

More Than 2,500 Reasons Why You Enjoy Good Electric Service

The reasons are TP&L employees—some 2,500 of them.

They are cashiers, engineers, meter readers, managers, sales employees and numerous others.

Through these employees, TP&L keeps pace with the customers' constantly increasing need for electricity. Programs of improvements and expansions never end. The Company is planning now for you to have ample electricity in all future years.

Planning ahead is important, of course. But, TP&L employees are also working for you today. When a question arises about your electric service, call your local TP&L office.

More than 2,500 people are anxious to help you now.

SPIRIT SIGNS

In the preceding pages of this the 1967-1968 Dragon are some of the school events of the year--Athletic events, half-time performances, homecoming, a time of study, a science experiment, band, elementary activities, favorites, and the close of another school year. All these memories--and more are recorded in this book as the final copy goes to the publisher. We present this book to you with pride.
